Replacement Sockets With Bulbs

*Payment options include Visa, MasterCard, Discover, American Express, COD (COD charges additional), prepayment by check or Net 30 if an account is established.

*Shipping is FOB our production facility and will be added to your invoice.

*Shipping is by UPS Ground unless otherwise requested.

*When ordering please allow for a lead time of up to 4 weeks.

*Address Light Fixture prices do not include low-voltage transformers, low-voltage wire, mounting hardware or gaskets.

*Address Light Fixture prices do include application of address numbers by us, pre-installed sockets with bulbs and a (1) year warranty.

*Transformer Kits (includes 14vac plug-in style transformer, low-voltage wire, mounting hardware and special installation instructions) or a 14vac Transformer without the Kit are available for an additional cost.

*Sales Tax will be added to all orders shipped to Arizona or California unless a valid resale license is on file in our office for the destination state and entity placing and paying for the order.

*Tollmark Address Lights meet most community lighted address ordinances.

*There is a \$14.00 per unit return charge for the number panels which are not reusable. Also shipping charges are not refundable. To receive a refund the product must be returned to us within 60 days of the invoice date and be in saleable condition.
